

# UNC Hospitals Long-Term Patient Parking

Due to the limited number of on-campus parking options and the cost associated with extended on-campus parking, UNC Hospitals has reserved a limited number of on-campus parking spaces/permits in the S11 lots for family members and visitors of patients **admitted** into the hospital for more than a week.

- Permits will be available for purchase in the Hospital Parking office during normal business hours.
- Current permit cost is \$10.00 per week. Permits must be purchased for a full week (Monday – Sunday)
- These permits are honored in the Dogwood parking deck during university events that affect the S11 parking lots such as: football games, basketball games, graduation, etc... No additional payment is required when leaving the Dogwood deck during these events.
- Only one permit allowed per week for each patient.
- Permits may be purchased in advance. **Permits are non-refundable for unused days.**
- Unused permits can be returned to the parking office and donated to other families in need.
- No income or financial information required.
- Valid driver's license or government issued identification and contact information required.
- Permits purchased by long-term patient family members/visitors are not guaranteed to be renewed. Renewals are based on availability.
- **24-Hour shuttle & bus service provided to and from the S11 lots and UNC Hospitals at no charge. See attached map.**
