

How can we help?

We can help you to:

- Understand and cope with your diagnosis
- Think through treatment decisions
- Apply for assistance programs
- Cope with a personal or family crisis
- Get medical care that you can afford
- Find transportation to appointments
- Find resources, support groups and care in your home town
- Find hospice care

We can teach you how to:

- Talk with your kids, family, friends, or co-workers about your cancer
- Talk with your UNC Cancer Care team
- Reduce your stress
- Plan for the future with Advance Directives
